To whom it may concern:

I am writing this letter to express my support for Hayden Turrini in her application for a Coaching opportunity with your organization. I have been Hayden's basketball coach at Windsor High School for the past three years.

I enjoyed working with Hayden and I am happy to be able to provide this recommendation. I have great respect for Hayden as an individual and I am confident that she is deserving of this position. Hayden was always an extremely dedicated and a hard worker on the basketball team as well as a team player. Hayden is a very determined individual and she proved this by improving her basketball skills both in practice and on her own over the years. In her senior year Hayden took on a leadership role as one of the captains of the team. In her role as a captain Hayden was responsible for working directly with the coaching staff to help organize team activities, counsel struggling players, ensure practices ran smooth and being a leader on the court on game days.

I am confident that you will be just as impressed with Hayden as I am and I urge you to consider her for this position. Please feel free to contact me if I can provide any additional information. You may reach me at 707-483-4005 or windsorgirlsbball@gmail.com

Sincerely,

Jeff Paul
